12 GA HD Mirror Finish Triangle Mount

Heavy Duty Triangle Mount

The new 12 GA HD 304 Mirror Finish Triangle Mount features robust 12 gauge stainless steel for heavy duty wear and tear.

The F200SBHD includes a lifetime warranty against cracks and rusting.

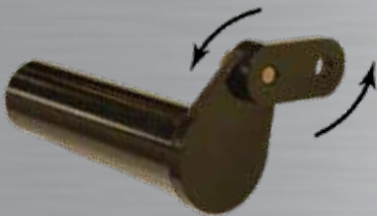

F52-360 Post Mount

***Another innovative design by Class Eight, the industry leader in bracket design**

Try the new universal post mount. The F52-360 allows precise installation with a 360° swivel off-set bracket designed to adjust and install a mount exactly to the desired position.

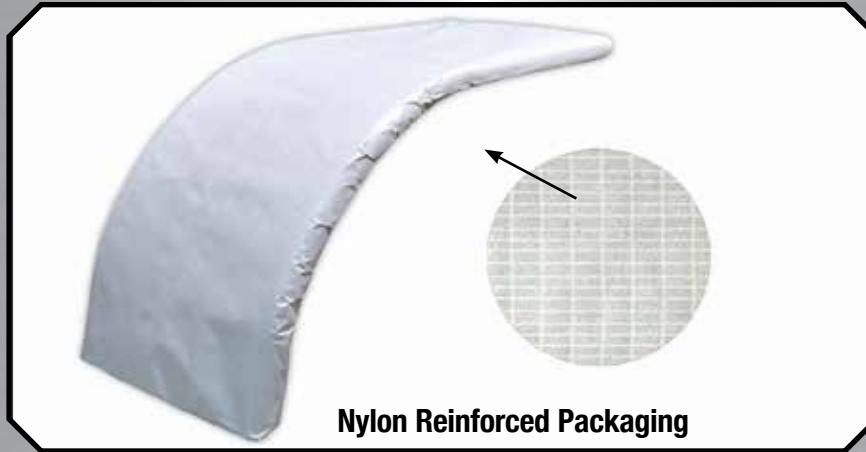

Packaging

Nylon Reinforced Packaging

All fender corners are guarded with plastic protectors and fenders are wrapped with nylon reinforced packaging paper to prevent damage during shipment.

Terms and Policies

Limited Warranty

All products and mounting hardware manufactured and sold by Class Eight Manufacturing Inc. are guaranteed to be free of defects in workmanship and materials for a period of one year from the date of purchase. All Class Eight fenders must be installed using only Class Eight mounting kits and hardware. When installing either a half, or full tandem fender, the centre bracket must be bolted to the frame and the fender. Not securing the centre bracket will void the warranty. Removal and installation costs are not covered by Class Eight. There is no warranty against the following: misuse, dents, impact damage, or washing with anything other than mild soap and water. Please note, if you use a 14 gauge paddle on a 14 gauge fender, the paddle will not be covered under our warranty policy, a 12 gauge paddle is required.

Limited Lifetime Warranty

Class Eight offers a limited lifetime warranty on poly and mirror finish products. Warranty is given at our discretion. Removal, installation and shipping costs related to any warranty are not covered by Class Eight.

Minimum Order

All orders require a minimum transaction of \$100.00.

Terms

Class Eight accepts Visa, Mastercard and pre-approved credit.

Damaged Products

The employees at Class Eight take the utmost care in the packaging of Class Eight products. In the event of a damaged shipment the customer must file a freight claim with the carrier. Shortages or errors made in filling an order must be reported within 7 days upon receipt of any shipment.

Shipping Policy

All products are shipped F.O.B from Class Eight, Toronto, Ontario. Pre-paid shipments of Class Eight products are at our discretion.

Returned Products

All returned products must be authorized in advance by Class Eight. Items returned for credit will be subject to a restocking fee of 20% and must be returned via pre-paid shipping. No return will be accepted without an R.G.A number, issued by Class Eight and a copy of the original invoice. Your R.G.A number will be valid for 30 days. Credit will not be issued for products that Class Eight deems damaged, unsuitable for resale or discontinued. Each Class Eight customer is eligible to return 10% of last year's sales unless other arrangements have been made.
